FUJITSU COMPUTERS SIEMENS

Work is heavy enough

The LIFEBOOK P Series is a fully featured notebook and a powerful Tablet PC in one unit. Weighing less than 1 kg the LIFEBOOK P1620 is the perfect companion weather you are traveling by car, by train or by airplane. With optional embedded UMTS you don't have to care about hotspots and you can get in touch with your business wherever you are. Reap the benefits of great mobility and high flexibility and enjoy envious views from everyone.

SPECIAL FEATURES LIFEBOOK P

go top…

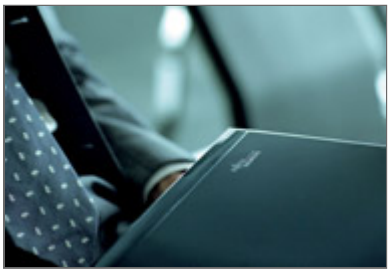
- Outstanding connectivity (optional embedded UMTS, WLAN, Bluetooth and Modem)
- Ultra light for perfect mobility – less than 1 kg
- PC Card & SD Card slot for quick data transfer
- 180 °rotatable display in both directions
- Latest Intel® Centrino® processor technology
- Security features including integrated fingerprint sensor and Trusted Platform Module (TPM)
- 64 GB Solid State Disk (optional)

BRILLIANT VIEW go top…

The LIFEBOOK P offers you a brilliant 8.9 inch display for convenient working indoor and outdoor. Thanks to the passive digitizer you can also use your fingertips for tipping and writing on your convertible notebook.

Connected everywhere

The LIFEBOOK P gives you the freedom to work wherever you like with Wi-Fi certified WLAN, Bluetooth, modem and optional embedded UMTS/HSDPA. No matter if you are on the road or in the office synchronize your e-mails, organize appointments and stay connected to your business wherever it leads you.



Perfect companion on the move

Weighing less than 1 kg the LIFEBOOK P is ready to join you to your next business trip. With its ultra- light and outstanding design envious views are guaranteed. And also don't think about if your sitting indoor or outdoor. The AnyLight display allows you to work wherever you decide it.

Enjoy reliability

With a display that rotates 180° degrees in both directions, the LIFEBOOK P turns from a powerful, fully featured notebook into a stylish tablet PC. With lots of interfaces e.g. SD, PC and Express card slot you can connect to your business in the office or your next business trip.
