Our objective is to provide customers with the best choice of a cost-effective and efficient service plan for our products. Handheld products are designed for those who work in less-than-gentle environments, and whether the challenges come from weather, extreme temperatures or tough work situations, all our devices are made to rise to the challenge. But in case something does go wrong, we've developed the MaxCare service concept: multiple extended coverage options that provide you with peace of mind on future service costs and lower the total cost of ownership for our devices. The Handheld MaxCare service plan is a comprehensive package of add-on service options that will help protect your technology investment and offer additional security for your business. Both MaxCare service plans are valid for a period of three or five years from the product's purchase date to ensure extended life-cycle protection. We offer both an economical.
