

Chainway C63 - Charge stations base, 4 slots

**Category:** Accessories - mobile

**Manufacturer:** CHAINWAY

**75,58 €**  
net price: 61,45 €

This universal 4-slot base allows for the flexible configuration of charging modules tailored to your fleet's current needs. Each bay can be equipped with either a device-and-battery cradle or a 4-slot pistol grip battery charger module. This highly flexible and modular solution enables centralized power management for multiple devices using a single power source.
