

Chainway C63 - Quadruple charging station (pistol batteries)

Category: Accessories - mobile

Manufacturer: CHAINWAY

43,35 €
net price: 35,24 €

This dedicated charging station allows for the fast and secure charging of up to four pistol grip batteries at once. Its compact design makes it perfect for intensive multi-shift environments, ensuring a constant supply of power. It is a reliable solution that eliminates downtime and guarantees that spare batteries are always ready for use.
