Chainway P100 - Quick charge adapter (27W,  
CN/US/EU/UK)

This 27W (9V/3A) fast charging adapter is designed for Chainway P100 tablets. This charger quickly recharges the high-capacity battery, minimizing downtime. Furthermore, it's available in CN/US/EU/UK standards, ensuring full compatibility with various electrical outlets and enabling hassle-free use worldwide. This provides users with not only a fast but also a globally universal power solution.
