

Clevo DoorToDoor warranty to 36 months

Category:	Extended warranty
Manufacturer:	Clevo

Product from the Archive - production finished

Door-to-Door available only to customers from Poland.

Guarantee warranties "door to door". This is the kind of luxurious and extremely friendly customer warranty, consisting of completely free to use transportation defective laptop from the front door to customer service and back again. A warranty claim is accepted on the basis of proof of purchase - receipt or invoice. Advertised **laptop** is received from the customer by courier, then repaired by an authorized service producer and finally - comes back to the same place.

If you want to buy a simple 36 month warranty, [click here.](#)
