Description

- » Stability
- » Easy to use
- » Comfortable work
- » Compatible with Mobipad Qxtron Q6600
- » Ports: 2x USB 2.0

The docking station provides stability during the use of the device. It is easy and comfortable to use. The advantage is certainly the small size of the charging station.

The individual connectors can be used as follows:

1. USB 2.0 - a versatile port with which today you can connect almost any device that transfers data. These ports are for data transfer, but do not support battery charging in smartphones and other external devices.
