Emdoor V10T/V80T - Functional adapter cable (2x USB 2.0 + CAN)

Category:	Cables and connectors
Manufacturer:	EMDOOR

170,66 zł
net price: 138,75 zł

》Easy to use

》Compatible with EMDOOR V10T and V80T

This industrial expansion cable for the Emdoor V10T and V80T features two USB ports and a CAN (Controller Area Network) bus connector. It allows for the simultaneous connection of standard peripherals and direct diagnostics and communication with vehicle or machine electronic systems. The robust aviation connector ensures signal stability even under severe vibration.
