

Flybook LaCle - DVD Drive/Burner

Category:	Accessories - mobile
Manufacturer:	Flybook

Product from the Archive - production finished

The Flybook DVD burner combines state of the art slim-line CD-RW and DVD-Multi Recorder technology with extreme portability.

It utilises DVD-RAM and DVD-ROM/-R/-RW/+R/+RW plus CD-R and CD-RW allowing recorded discs to be compatible with the vast majority of CD and DVD devices.

Can be powered directly from the Flybook USB ports (through the Y USB cable given with the burner)
