

## MobiPad SL60 - Additional battery

**Category:** Batteries

**Manufacturer:** Mobikator

**136,43 zł**  
net price: 110,92 zł

A thin 5200mAh removable li-Ion battery acts as the back of the MobiPad. Power management is impressively optimized, as a single charge provides up to 9 hours of operational time. Actual runtime varies according to usage and settings, of course, but the estimates are pretty accurate.
