Solid and functional

Designed for professionals, this desktop charging bracket provides a stable base for the MobiPad Tex17 rugged industrial tablet. Its stand connects to a dedicated docking station using the VESA standard, providing continuous power via a built-in cable. The design is characterized by precision craftsmanship. The entire set is designed for durability and performance in industrial applications. The desk stand, ensuring durability and stability, is made of aluminum alloy, significantly contributing to the mount's sturdiness. The entire unit measures 323 x 216 x 155 mm and weighs 0.753 kg.
