Regulatory	CE

IP65 Resistance

Degrees of IP is a classification of different degrees of protection of electrical equipment that are provided by enclosures of the equipment according to PN-92/E-08106. A number after the "IP" is really two digits. The first is protection of human and animal access to hazardous parts and protection against contamination, such as dust. It's mainly about access foreign objects to enter the unit. The second digit is protection against water.

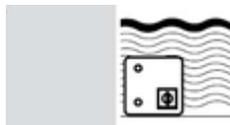

No special protection	0		0	No waterproofing
Protection from solid objects greater than 50mm in diameter	1		1	Protection from dripping water
Protection from object not greater than 12mm in diameter	2		2	Protection from vertically dripping water (tilted)

6

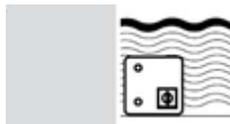

6

Protection against heavy seas, or powerful jets of water

7

Protection against immersion

8

Protection against complete, continuous submersion

With HSDPA module, you need only insert a SIM card into a special slot and can immediately connect to the Internet. Integrated software allows you to automatically recognize and customize mobile networks. Also used in internal CM76 WCDMA module adapts automatically to network coverage.

WiFi	802.11b/g/n
GPS	Built-in + A-GPS
Bluetooth	Bluetooth 4.0
WCDMA	GSM: 850/900/1800/1900MHz WCDMA: 850/2100 : 850/1900 : 900/1900MHz

The latest WiFi wireless module operating in 802.11n provides a very fast communication with the AP tablet such as a router, providing a fast and convenient browsing, smooth playback of HD video.

Multi-Touch technology allows you to control user interfaces more than one finger.

capacitive screens detect simultaneous touch screen of the 5 locations. Multi-touch is very helpful for web browsing, videos and galleries. New capacitive screen with multi-touch function.

You do not have to worry about whether you will put your old laptop into a briefcase, backpack or travel bag with MobiPad problem forever, as it weighs only 650g and its dimensions (200 x 136 x 21mm) allow to carry it with you everywhere. With exquisite workmanship and energy efficient it is in the forefront of devices in this segment and is hit on the Europe market in the industrial segment.
