Refer to the "Technical Data" overlap - what possibility have subsequent versions of the devices. To gain additional information about the product click on the "Ask about the product" or go to the **contact form**.

## Select the version dedicated to yourself

Select a version tailored to your needs. Clicking on the hardware number configurations will redirect you to the product with parameters listed below. Detailed parameters are available in the **"Technical Data"**.

Barcode Scanner (only in version v.3.3)

Quick and accurate identification of the object relieves the warehouseman and does not create a bottleneck in logistics processes. 2D barcode reader allows you to read, decode and send to your data stored in the bar code. With dynamic scanning capabilities and wide range of reading MobiPad device and MP8802 quickly and accurately retrieves the data, which helps to increase the rate and efficiency.

## Standards

In terms of device ruggedness, the MP8802 can withstand a 3-foot drop, and with IP65 sealing. The tablet can operate in temperature range of -10° to 50°C, optimized for most industrial deployments. MP8802 is a sharp looking, sturdy and powerful device that can hold up well against use in harsh environment with its industrial grade rugged design.

|                       |                    |
|-----------------------|--------------------|
| Operating temperature | -10°C -- +50°C     |
| Storage temperature   | -20C -- +60°C      |
| Dust                  | IP6x               |
| Water                 | IPx5               |
| Humidity              | 95% non-condensing |
| Drop                  | 1.0m               |

## The battery at its best

High quality Lithium battery provides a long operating life under severe temperature conditions. With MobiPad MP8802 you can easily work out at temperatures as low as -10 ° C.

Thanks 4G module user immediately can connect with Internet inserting SIM card to slot. Integrated software allows to automatically recognize and configure connections with mobile networks. Build-in microphone and speaker make possible to make calls.
