BRILLIANT VIEW

[go top...](#)

The LIFEBOOK P offers you a brilliant 8.9 inch display for convenient working indoor and outdoor. Thanks to the passive digitizer you can also use your fingertips for tipping and writing on your convertible notebook.

Connected everywhere

The LIFEBOOK P gives you the freedom to work wherever you like with Wi-Fi certified WLAN, Bluetooth, modem and optional embedded UMTS/HSDPA. No matter if you are on the road or in the office synchronize your e-mails, organize appointments and stay connected to your business wherever it leads you.

Perfect companion on the move

Weighing less than 1 kg the LIFEBOOK P is ready to join you to your next business trip. With its ultra- light and outstanding design envious views are guaranteed. And also don't think about if your sitting indoor or outdoor. The AnyLight display allows you to work wherever you decide it.

Enjoy reliability

With a display that rotates 180° degrees in both directions, the LIFEBOOK P turns from a powerful, fully featured notebook into a stylish tablet PC. With lots of interfaces e.g. SD, PC and Express card slot you can connect to your business in the office or your next business trip.
