Product from the Archive - production finished

Multifunction Netbook & Tablet

Its modest dimensions and weight (22x28,5x10,5cms for 1.3 kgs) make Viooo ZC-102 a highly portable notebook that suits any occasion. The thorough study of all the ergonomic aspects, the keyboard dimensions and the position of the main control keys allow a very simple usage – even standing.

WiFi, Bluetooth, LAN, HSDPA(HSDPA is optional)

The Viooo the ZC -102 possess all necessary connect modules. This permit for all of kind wireless connections.

Intel ATOM

The Intel® Atom™ processor was designed from the ground up for low power and innovative devices, enabling a broad range of new devices from Mobile Internet Devices (MIDs) to netbooks and entry-level desktop PCs, and more.

HSDPA Connectivity(Optional)

Thanks to the in-built HSDPA module, you need only to insert a SIM card in the special slot, and you will immediately be able to easily connect to the Internet. The integrated software is able to automatically recognise and customise all network providers worldwide. And the study of the antennae localisation allows a receiving capacity unreachable by the external USB or PCMCIA transmission devices. Besides, it allows you to reach the highest connection speeds even in poor network conditions.

WIRELESS LAN CONNECTIVITY - WiFi

The great expansion of WiFi technologies to wireless connect to the Internet both in professional and domestic settings through the public or private hot-spots, make your Viooo ZC-102 an inseparable resource for your daily activities.

BLUETOOTH CONNECTIVITY

No more cable connections! Thanks to the bluetooth technology that allows the exchange of information among different devices, you can easily use all the accessories of the Viooo line (and more) with an in-built special software.

CABLE CONNECTIVITY - LAN

Viooo ZC-102 become equipped in 10/100Mbps LAN Card.

CAMERA

Whatever the connection used, your 1.3Mpixel webcam will allow you to be seen while videoconferencing, thus reducing distances.

TECHNOLOGY

PLATFORMA INTEL® ATOM®

The next-generation Intel Atom processor for netbooks and entry-level desktops continues to provide innovation through integrated graphics built directly into the CPU using Intel® 45nm high-k metal gate technology, enabling smaller and more energy efficient designs.

TOUCH SCREEN

Use your Viooo ZC-102 like a real block notes: thanks to its touch-panel, it allows you to write your notes on the screen as you would do with a normal paper sheet. The stylus pen can be used to easily and quickly access all the Viooo functions or to add notes to your documents.

Economicall and modern display

Viooo ZC-102 comes with the 10-inch LED LCD display.
