

USB Flash Drives KINGSTON DT200/32GB

Category: Accessories - mobile

Manufacturer: 3GNet

Product from the Archive - production finished

Kingston's new DataTraveler® 200 USB Flash drives represent the high capacity, fast and password protected range which is perfect for those who need a storage companion able to keep up with their demands. With capacities up to 128 GB, the DataTraveler 200 features password protection via Password Traveler software, which allows you to create and access a password-protected, secure area of the drive called a "Privacy Zone"
